CONTACT

Music & lyrics by Aart Beunderman

We've got contact too good to ignore
but we take it or leave it
when there's still so much to explore.

I'm floating
down a river
of beautiful light and kindness,
I see flowers and beautiful things,
they colour everything,
I see flowers and beautiful things.

I feel my heart and I feel yours too,
I feel everything, everything rings true,
I'm letting go so I feel my flow,
I'm letting go,
I'm letting go.

Chorus

We've got contact too good to ignore
But we take it or leave it
when there's still so much to explore,
Lie with me,
hold me in your arms,
we've got contact too good to ignore.

I'm hoping
we'll get nearer
to the essence of love inside us,
we'll see flowers and beautiful things,
they'll cover everything,
we'll see flowers and beautiful things.

I feel my heart and I feel yours too,
I feel everything, everything rings true,
I'm letting go so I feel my flow,
I'm letting go,
I'm letting go (x2)

Chorus

HALO

Music & lyrics: Aart Beunderman

Hello little darlin'
are you looking at me?
all this time I've been wondering
if I've wandered into your dreams
have I plucked your heartstrings
or is it you who's playin' me?
alone at night
in bed you got me howlin'
but in your daylight I hear a symphony.

Chorus

She's a little devil
but she wears a halo,
She's a little devil
but she wears a halo,
I swear she's like the devil
but she looks just like an angel to me,
she's a little devil
but she wears a halo.

If I can't have ya
I'm gonna leave this town,
I'll take the slow-train to nowhere,
my ticket says 'one-way'
I ain't comin' back,
if I jump it'll break me
if I don't I'm gonna crash
your seraph-smile all but derailed me
And your celestial glare
threw me right off track.

Chorus

ISLAND

Music & Lyrics: Aart Beunderman

I am an island
stranded in me,
lost in my inability
to find a mainland.

I have no place
there's too much open space
between me
and where I want to be.

Chorus

Fear breaks my strings
when control is my desire,
tears clip my wings
and drown my hopes
of ever getting higher.

There's a hole in my soul,
where's the home in my soul?
there's a hole in my heart
there's a hole in my soul
where is home?

LOVE FLOWS (IN A PERFECT WAY)

Music & Lyrics: Aart Beunderman

Serene siren,
enticed me home,
let me crash into your arms,
for love is your charm,
shipwrecked me from further harm.

Chime your song into my ears
and sing away my fears,
for who needs a boat
when love keeps me afloat?
keeps me afloat,
love keeps me afloat
Keeps me afloat.

Chorus

Love's a boat,
love floats,
love flows in a perfect way,
eddies and curls,
love unfurls
in a florid spray,
in a perfect way.

Divine bouquet

love spirits me away,
to a space in time
where I'm no longer yours nor are you mine,
a place for you and I
to harbour love,
love for all
love for all and everyone,
love is everyone,
love is everyone.

Chorus

Love flows in a perfect way.

One note of love
is the essence of harmony
and life makes sense
when the rhythm of our hearts
beats out the tune
of love's song never-ending,
fragrant, pure,
love is heaven-scent,
fragrant and pure,
love is heaven-scent
love is heaven-scent.

Chorus

Love flows in a perfect way,
love is here to stay!

FAMILIAR

Music & Lyrics by Aart Beunderman

You seem
so familiar to me,
I've felt your vibe before
I saw you
when I looked inside of me
and my heart
cried for more and more and more

Chorus

That's why
you've come to me
because I'm learning
that's why you've come to me
coz I wasn't looking,
that's why you've come to me
coz it's meant to be

Rivers of you
rush through my veins
you've always lived here inside of me
I realise that we're all the same
only different,
in what we think and say and do

Chorus

That's why
you've come to me,
because I'm learning
that's why you've come to me
coz I wasn't looking,
that's why you've come to me
coz it's meant to be.

SHE SHOWS

Music & Lyrics by Aart Beunderman

Poetic you,
you call me up,
your voice was ringing in my ear:
"I want to see you now."
You blew my mind,
blue was your dress,
you took me for a ride in your car,
I swallowed you whole.

You take it,
or leave it
you don't even know
how to keep me warm
you don't even know
if I need this,
you don't even know,
you don't even know.

Chorus

She shows,
but she's a fake,
her eyes,
they bruise my mind,
she gave but why should I take
her confusing me with him?

She almost fell,
she didn't quite fall
into my embrace,
but I fell flat on my face
you blew my mind
blue was your dress
you took me for a drive in your car
I swallowed you whole.

You take it,
or leave it
you don't even know
how to keep me warm
you don't even know
if I need this,

you don't even know,
you don't even know.

Chorus

You take it,
Or leave it
You don't even know
How to keep me warm
You don't even know
If I need this,
You don't even know,
You don't even know

Chorus

STELLAR SPARKLE

Music & Lyrics by Aart Beunderman

I found this
symbol
in a sea of strange-shaped emotions,
I could see you
as it shot into view,
flew like a shooting star
blazing across my horizon.

I picked up this shell
and wondered
at its spiral stairs,
where we start and end,
where we start and end,
merrily
I place this mouthpiece
to my ear

Chorus

And I hear my watery voice, unsure,
sad-stormy waves
crashing on distant shores.
but it's your stellar sparkle.

In an ocean
of confusing beacons and lights
that beckoned me to navigate
in a sea of nights
floodlit
with too many stars
that dazzle me.

Chorus

But it's your stellar sparkle,
but it's your stellar sparkle

in an ocean
of confusing beacons and lights
that beckoned me to navigate
in a sea of nights
floodlit
with too many stars
that dazzle me.

I found this
symbol
in a sea of strange-shaped emotions
I could see you
as it shot into view,
flew like a shooting star.

FLOWER, FRAGRANT

Music & Lyrics by Aart Beunderman

Light in my day,
blue sky in my grey.

Chorus

You dance like a flower, fragrant,
moved by a
heartfelt breeze,
most radiant spring,
you are my
most tender awakening.

I think I am an artist,

sure, I can write you a song,
but the art of living
you've known all along.
you're the real teacher
heart and soul,
heart and soul,
all I can teach you
is what I'm hoping to learn,
how to stand up and not to fall.

Chorus

I sing you harmony
from a heart dissonant and torn,
but you're the brilliant melody,
my hymn waiting to be born

Chorus

CAPTAIN

Music & Lyrics by Aart Beunderman

Take a big step
in one direction,
follow your heart,
that's all you can do,
set sail
to who knows where,
but you're your own captain
on the ship
of your own truth.

How to keep afloat,
when sadness drives you to distraction,
when worry and fear are your shipmates?
But the waves of your love,
will take you home...

Chorus
...on this boat,
it's you,
on the boat
of your truth.

Take a step
in one direction,
follow your heart,
that's all you can do,
set sail
to who knows where,
but you're your own captain
on the ship
of your own truth.

REAL

Music & Lyrics by Aart Beunderman

You say
"Love has abandoned me,
I am lost
In my world of fantasy."
But I ask you
"What is real,
what is real,
what do you feel,
how is this not reality?"

Just close your eyes,
take a look
and see,
just take a breath,
take a breath
just breathe,
listen to your heart,
your heart-beat,
your heart beats,
your heart beats,
your heart sings,
your heart sings,
your heartstrings,
your heart sings,
your heart-beat,
your heart beats.

Chorus
Breathe, feel, see

the world's a fallacy,
your love is real
breathe, feel, see,
you're not alone,
coz you are love.

Just take a step
take that step to your reality
your dreams are real
the outside world's a fallacy,
that will tug and pull,
and push and shove
and try to kill
your inner dove
and all your flights of fancy,
that will tug and pull
and push and shove
and make you believe
the sun in your heart,
the child in you has fled.

Chorus

You're not alone,
coz you are love.

FREE

Music & Lyrics by Aart Beunderman

Chorus
You
glow,
you are beautiful,
you are
whole
you are beautiful.

You are whole,
you are free,
your spirit's all
that you want to be.

Chorus

I have lived
each day to try and see,
the love I need
is inside of me,
this rhythm
I feel
is my heart
beating free,
a life without love
is a song without harmony.

I never thought I'd see the light
of the sun, and the moon and the stars
are all in your face
and your eyes
shine like heaven on earth
and I see
the beauty
of your soul,
your soul.
